TOP STYLE

Top Style 2008

OLTRE LA QUALITÀ

Quando tecnologia e scelta di prodotti superano i traguardi della qualità, è ora di andare oltre. È il momento dell'eccellenza. L'alto di gamma Cisal la interpreta in una grande varietà di stili. Liberi, come sempre.

BEYOND THE QUALITY

When technology and products' choice overcome quality goals, it is time to go over. It is the moment of excellence. Cisal reads high quality with a wide range of styles. Free styles as always.

BIEN PLUS QUE LA QUALITE

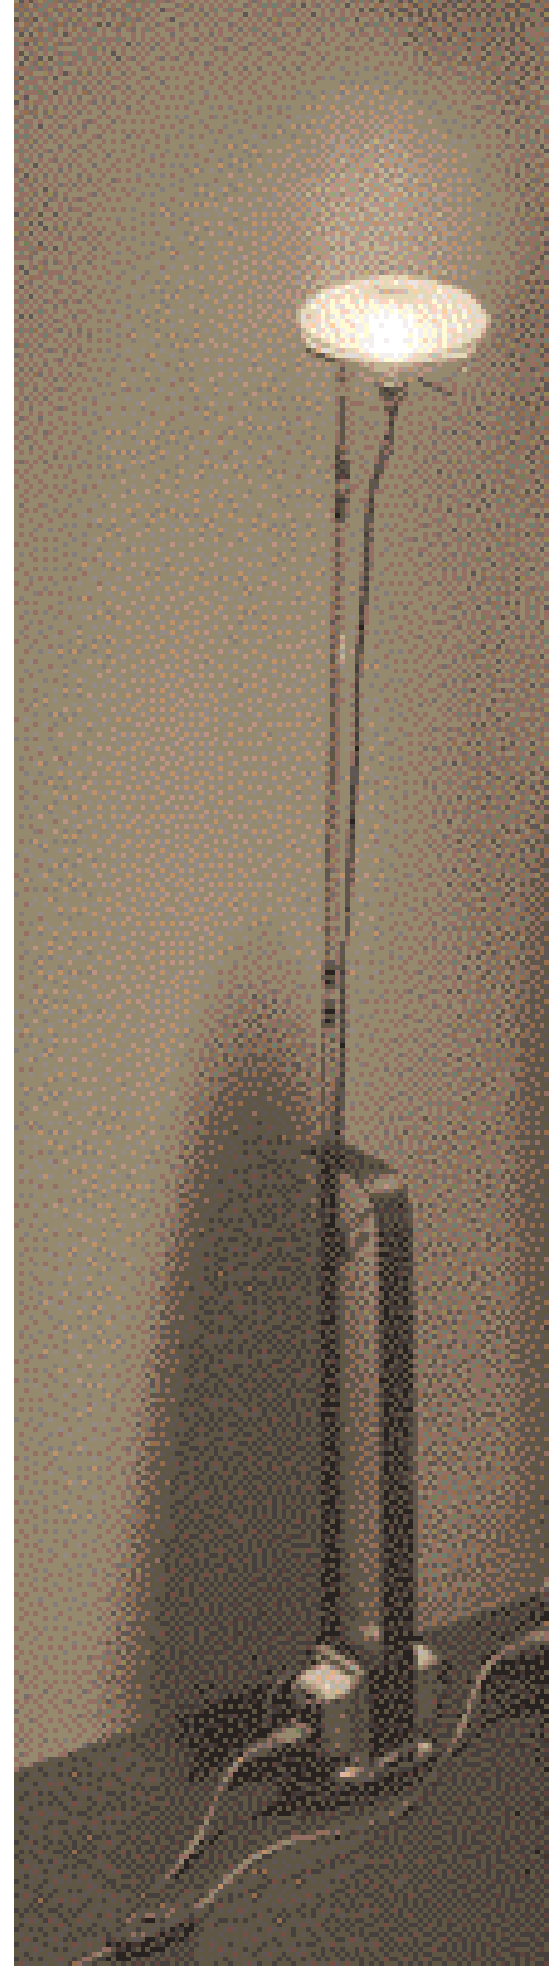

Parce que la technologie permet une évolution toujours plus poussée des produits, la qualité n'est pas le seul élément à considérer. L'excellence de la culture et du haut de gamme. Cisal à sa façon le conjugue dans un concert de variété et de style libre.

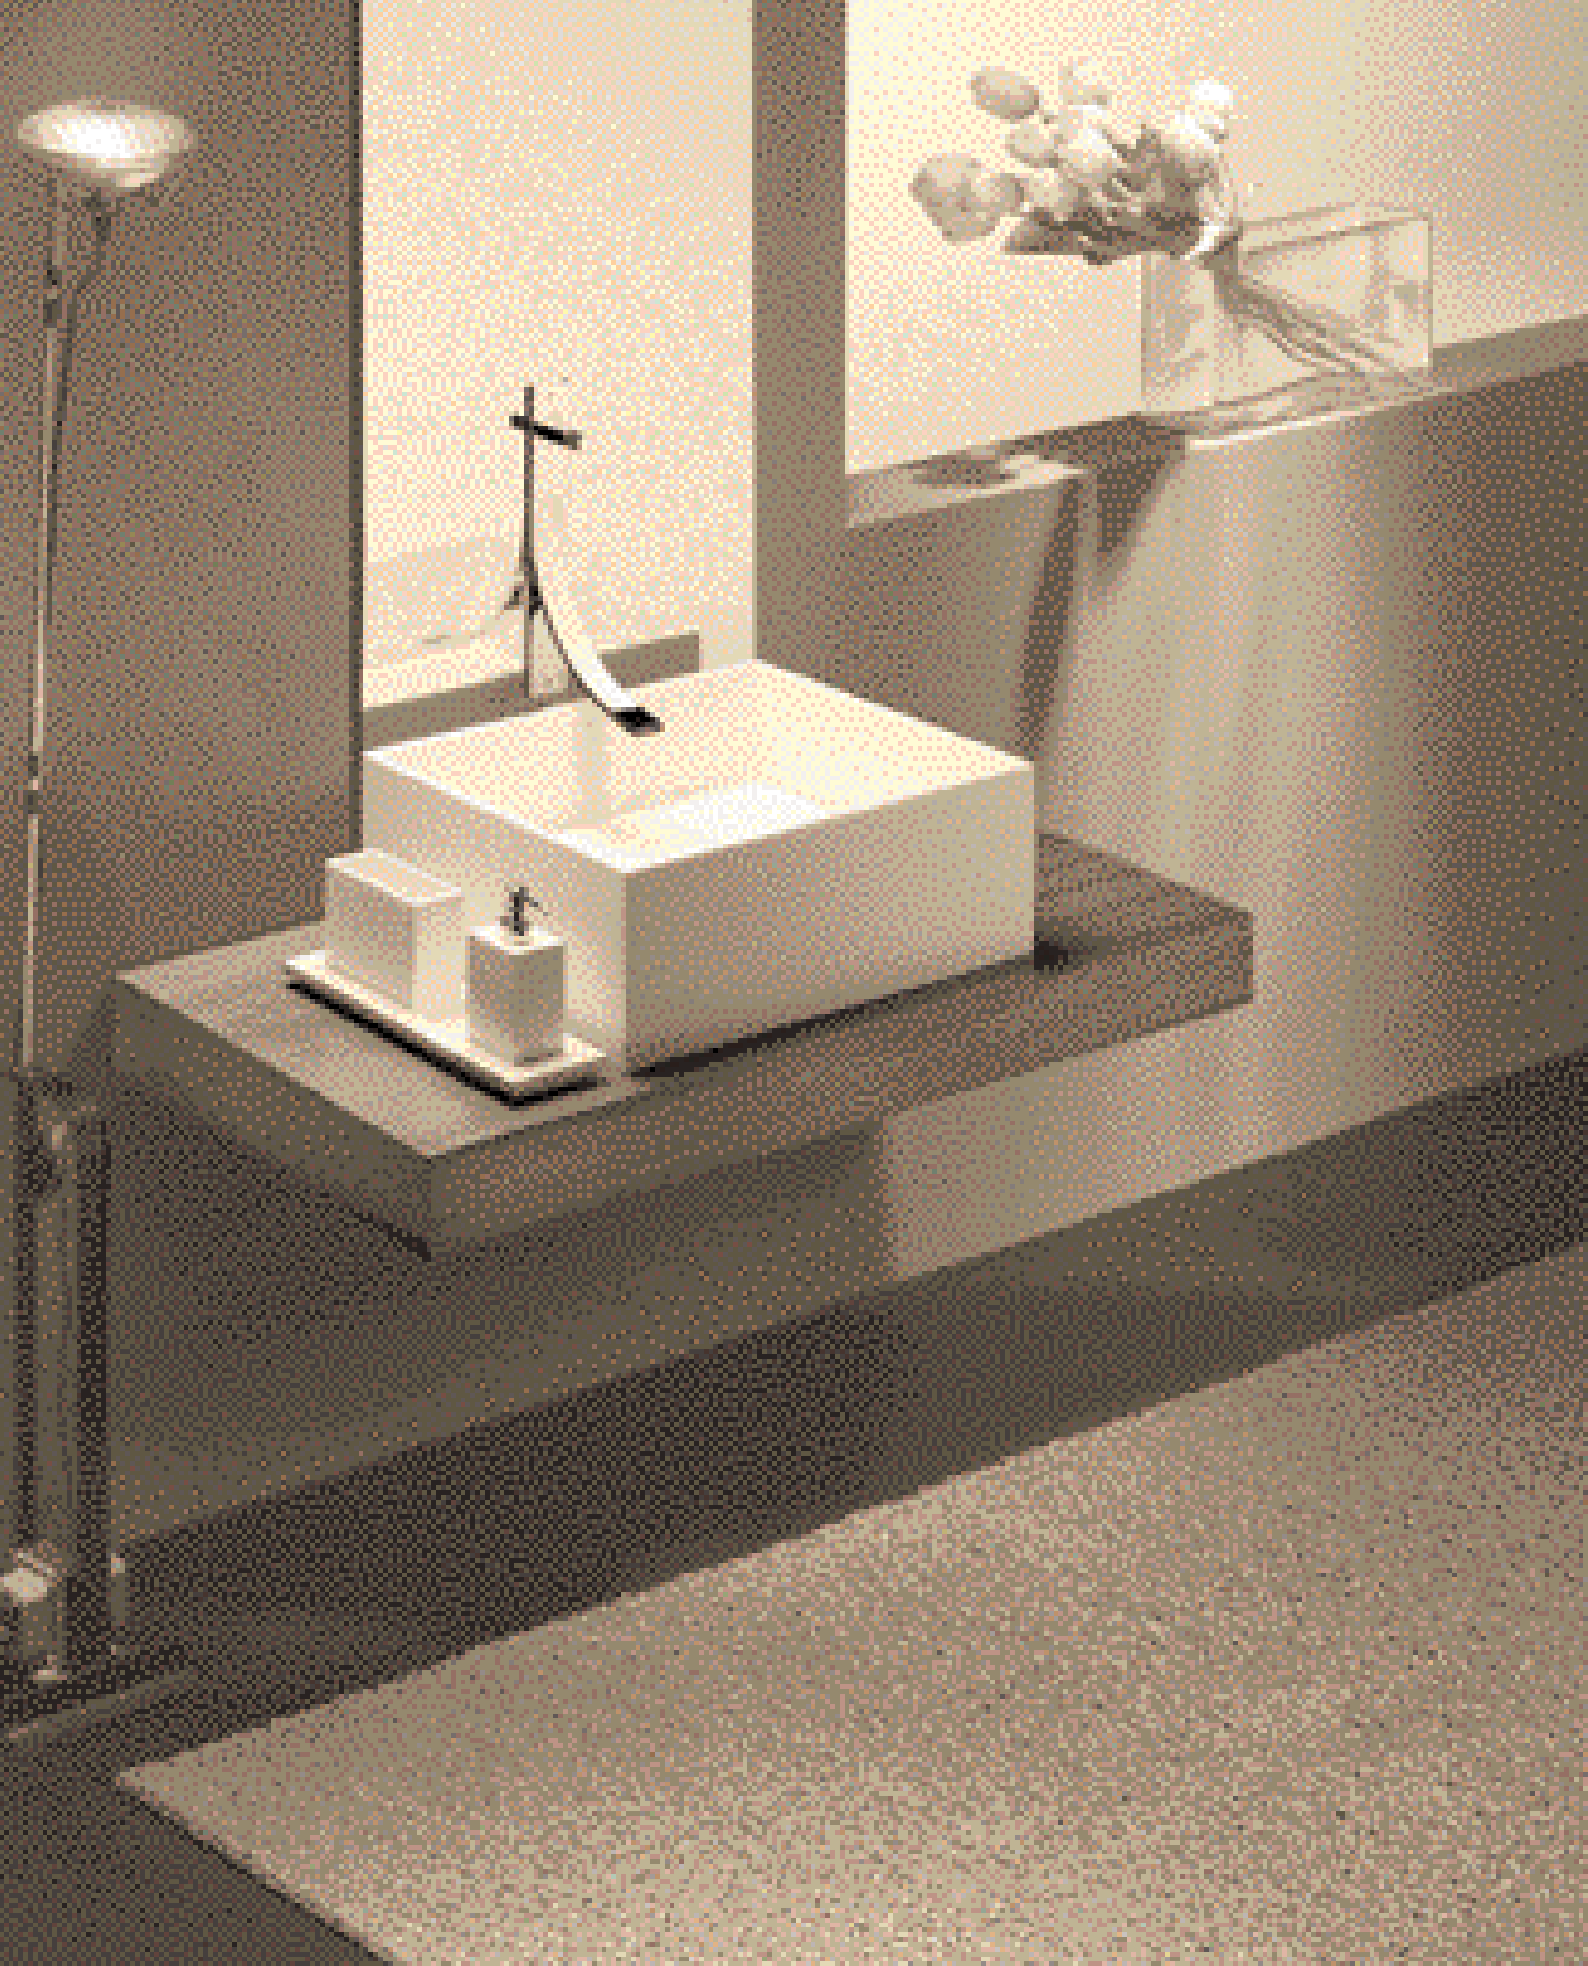

JENSEITS DER QUALITÄT

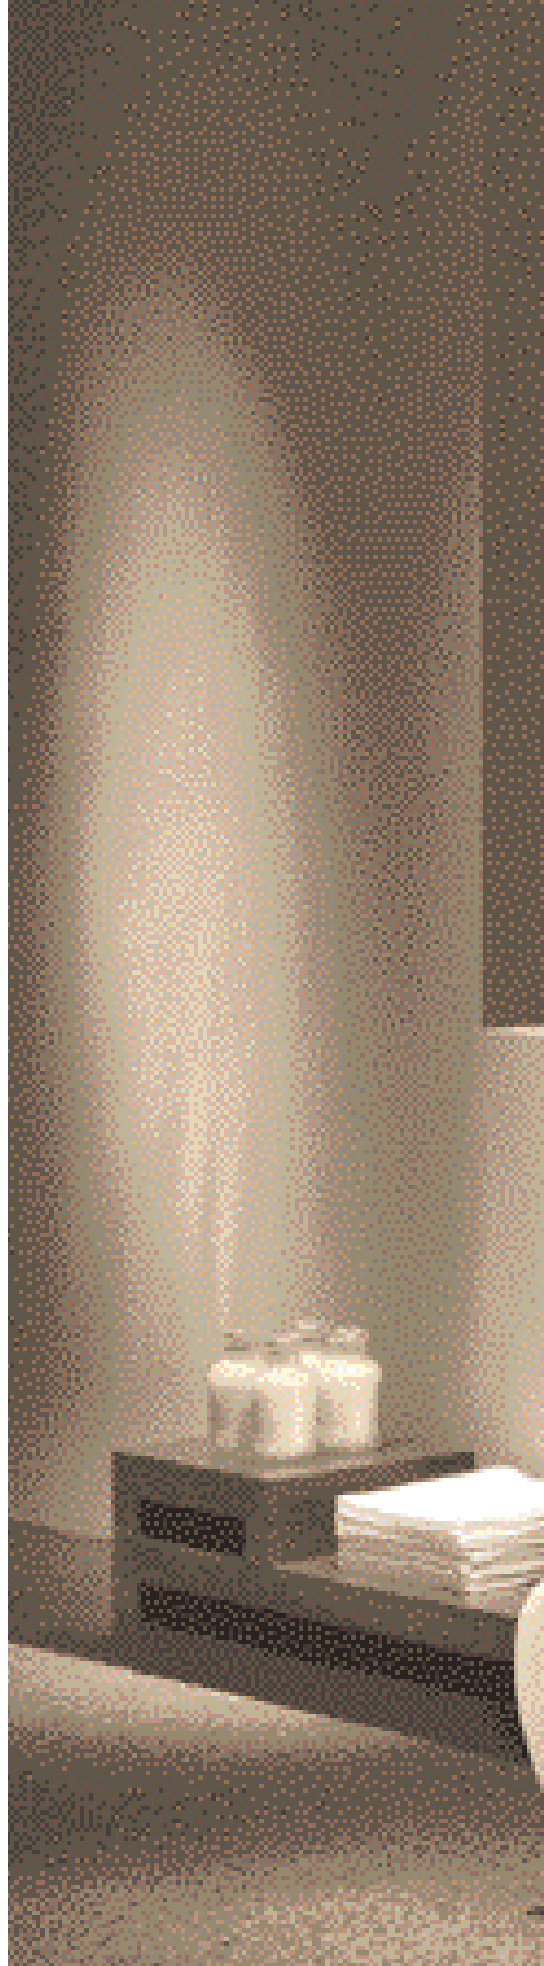

Wenn Technologie und Wissenschaft die Qualitätsziele erreicht haben, ist es Zeit sich auf anderes zu konzentrieren. Dies ist der Moment des Hochwertigen. Cisal verbindet hohe Qualität mit einer weiten Bandbreite an hochwertigem Design. Freies Design, wie immer.

MÁS ALLÁ DE LA CALIDAD

Cuando tecnología y selección de los productos superan las metas de la calidad, ya ha venido el tiempo de ir más allá. Es el momento de la excelencia. La gama alta de Cisal los interpreta en una grande variedad de estilos. Libres como siempre.
