

2006 DETAILS

Casa come luogo di arrivo e partenza. Sistema intelligente e vitale, organizzato ma libero, capace di accogliere il presente e il passato, di raccogliere suggestioni e differenze. Lema disegna e realizza le strutture essenziali dello spazio. Oggetti pensati e progettati per accompagnare percorsi privati e raccontare storie personali.

Home, for arrival and departure. An intelligent and lively system, organized but free, where the present and past coexist, where suggestions and differences are gathered. Lema draws and creates essential structures of space. Objects have been imagined and designed to be part of personal experiences and to tell personal stories.

La maison, comme lieu de départ et de retour. Lieu d'intelligence et de vie, d'ordre et de liberté, capable d'accueillir le présent et le passé, de recueillir suggestions et différences. Lema dessine et réalise les structures essentielles de l'espace. Les objets sont là pour témoigner des aventures personnelles et raconter les histoires intimes.

Das Zuhause als Ort der Ankunft und der Abreise. Ein intelligentes und lebendiges System, geordnet aber losgelöst mit der Fähigkeit, die Gegenwart und die Vergangenheit aufzunehmen, sammelt Eindrücke und Unterschiede. Lema entwirft und verwirklicht grundlegende Strukturen des Wohnraumes. Wohlüberlegte und entworfene Objekte, die den Lebensweg begleiten und persönliche Geschichten erzählen.
