

imbottiti relax

EUROSEDIA. Sedersi comodamente rende più dolce la vita. Gli imbottiti relax Eurosedia interpretano al meglio la voglia di vivere un ambiente sentendosi a proprio agio. Belli, originali nel design e curati nei particolari, seguono la contemporaneità e fermano il tempo. Un bel paradosso.

EUROSEDIA. Sitting comfortably makes life so much more enjoyable. Eurosedia relax upholstered chairs best interpret the desire to live in a setting and feel fully at home in it. Beautiful, featuring an original design with the utmost care taken for every detail, they are contemporary while at the same time stopping time in its tracks. What a paradox.
